

DIRT DOG®

Dirt Dog Scrape Blades are Effective, Reliable and Durable.

Our blades offer the heavy duty features you depend on everyday to get the job done.
Choose Dirt Dog for superior equipment you can count on year after year.

Rear Blades (25 to 90 horsepower)

Dirt Dog makes heavy duty blades. It doesn't matter if you have a compact or 90 hp. tractor, you can be sure that your Dirt Dog blade will be tough enough to withstand the test of time. We pack heavy duty, high quality features into every scrape blade we make, so you can get hard work done fast.

20 Series

- Category 0 & 1 heavy duty quick hitch compatible A-frame
- Five forward angles and 3 reverse angles
- 1/4" moldboard available in 4, 5, and 6 ft.

The **20 Series** gives small tractor owners a high quality blade for landscaping, leveling, backfilling and grading.

35 Series

- Category 1 quick hitch compatible A-frame
- Three tilt positions, five forward angles and 3 reverse angles
- 12" offset
- Reversible & replaceable 1/2" x 6" bolt-on cutting edge
- Moldboard available in 4, 5, 6 and 7 ft.

The **35 Series** offers heavy duty performance for your 35 hp tractor. Any landscaping job from ditching to snow removal can be handled with ease by this tough blade.

50 Series

- Category 1 quick hitch compatible A-frame
- Three tilt angles, five forward angles and 3 reverse angles
- Double strap hitch
- Offsets up to 16"
- Moldboard available in 4, 5, 6 and 7 ft.

The **50 Series** takes ease of operation to the next level. Simple manual adjustments allow you to offset, angle and tilt quickly and easily. Ease of operation + Heavy Duty = More work done in less time.

Additional features:

- Match your tractor's color with one of our five powder coat paint options
- All blades are quick hitch compatible
- Heavy duty design, engineered to make a tough job easy

70 Series

- Category 1 & 2 quick hitch compatible A-frame
- Angle adjustment up to 45° forward and reverse
- Tilt adjustment up to 30°
- Offset adjustment up to 18" (pin jack comes standard)
- 5/16" moldboard available in 6, 7, and 8 ft.

The **70 series** uses a high strength reinforced moldboard along with a heavy duty A- frame design that delivers durability and reliability. One of our most durable and time tested designs, the 70 series is a blade you can count on year after year.

91 Series

- Category 1 & 2 quick hitch compatible A-frame
- 3" moldboard king pin
- Tilt, offset and angle can be manual or hydraulic
- 5/16" reinforced moldboard available in 7 or 8 ft.

The **91 Series blade** is available with manual or hydraulic adjustments allowing you to customize the unit to your specifications.

CHOOSE DIRT DOG FOR SUPERIOR EQUIPMENT YOU CAN COUNT ON YEAR AFTER YEAR.
