

DIRT DOG[®]

Dirt Dog landscape equipment is **Effective, Reliable and Durable.**

These units offer the heavy duty features you depend on everyday to get the job done.
Choose Dirt Dog for superior equipment you can count on year after year.

Heavy Duty Landscape Equipment

Dirt Dog manufactures heavy duty landscape equipment. Whether you are a home owner or professional landscaper, you can be certain your Dirt Dog is tough enough to withstand the test of time. We pack heavy duty, high quality features into every unit we make, so you can get hard work done fast.

CLR

- Category 0 & 1 quick hitch compatible A-frame
- Five forward angles and 3 reverse angles
- Two hole, 5/16" x 1" heat treated, high carbon spring steel tines
- 3" x 4" x 1/4" rake frame available in 4 and 5 ft.

The **CLR series of rakes** packs heavy duty features into a small package that's perfect for compact tractors. Don't let its small size fool you. This rake has the heavy duty features you need and can count on to get the job done.

LLR

- Category 1 quick hitch compatible A-frame
- Five forward angles and 3 reverse angles
- Two hole, 5/16" x 1" heat treated, high carbon spring steel tines
- Optional dual gauge wheels
- Reinforced 4" x 4" x 1/4" rake frame available in 5, 6, and 7 ft.

The **LLR series** of landscape rakes is built to last. With its reinforced rake angle and full sized rake tines, raking rocks and debris is simple and easy.

MLR

- Category 1 quick hitch compatible A-frame
- 5 forward angles and 3 reverse angles with optional hydraulic angling available
- Two hole, 5/16" x 1" heat treated, high carbon spring steel tines
- Optional dual gauge wheels
- Heavy duty 4" x 4" x 3/8" rake frame available in 6, 7 and 8 ft.

The **MLR series** of rakes have the heavy duty features needed to get the toughest jobs done in the least amount of time.

PG

- Category 1 quick hitch compatible A-frame
- 3/4" closed design hardened spoons (slicing knives available)
- Grease zerks on each spoon hub
- 1 1/4" diameter axle shaft
- Weight rack allows you to add weight so you can control penetration depth
- Available in 4, 5, and 6 ft.

The **PG series** Plugging aerator is perfect for the home owner or professional landscaper. Our PG core aerator allows even the tightest packed soil to soak up water and nutrients, giving you the best looking lawn possible.

MPG

- Heavy duty category 1 quick hitch compatible A-frame
- 3/4" closed design hardened spoons (slicing knives available)
- Tapered spoons for easy penetration and plug removal
- Grease zerks on each spoon hub
- Parking stand on each corner for stability

The **MPG'S** heavy duty 3/4" closed designed hardened spoons core the earth to allow water, air and minerals to revitalize turf.

PVS

- Heavy duty category 1 quick hitch compatible A-frame
- Double strap hitch & fully welded roller spikes for durability
- Available with a single or double roller
- High strength, heat treated, 5/8" square x 8" teeth for durability
- 1" bearings

The **PVS** uses a replaceable spike for a fine grade that's hard to get with any other design. H-beam construction and a solid A-frame make this pulverizer heavy enough to smooth the roughest landscapes.

PVB

- Heavy duty category 1 quick hitch compatible A-frame
- Double strap hitch & fully welded roller spikes for durability
- Available with a single or double roller
- High strength, heat treated 1/2" x 2" x 12 1/2" reversible & replaceable teeth for durability
- 1" bearings

The **PVB** uses replaceable shanks to rip through and break up soil. The solid construction makes it the most durable pulverizer on the market.

CHOOSE DIRT DOG FOR SUPERIOR EQUIPMENT YOU CAN COUNT ON YEAR AFTER YEAR.

Dirt Dog manufactures heavy duty equipment for hard working people. We offer a full line of 3 pt. hitch tractor and skid steer attachments. Our product line is always growing and developing, so you can get hard work done fast.
