

DIRT DOG®

AG Loader Pallet Fork

- 1 1/8" x 3 1/8" x 42" Forks
- 2,200 lbs. Capacity

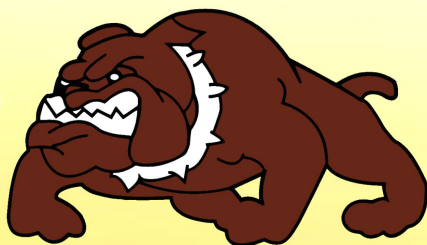

- Guard Provides Excellent Visibility
- Light Weight – High Strength

Dirt Dog's AG pallet forks are designed for front end AG loaders and small Skid Steers. The AGPF is the perfect set of pallet forks for moving pallets with your front end loader. The forks are adjustable in increments of 4" and lock in place so you can safely move pallets of all sizes. Our high strength light weight design allows for great visibility, while maintaining the durability Dirt Dog is known for.
